- 3.** Help your school win! The TOP drive will receive \$2,000 to host a rockin party at their school!
Don't miss out on any of these cool prizes!

You just joined a national college led movement in the fight against cancer.

FAST FACTS!

- Leukemia kills more children each year than any other disease.
- Only 30% of patients in need of marrow transplant can find a match within their family. The remaining 70% rely on complete strangers.
- Young people ages 18-24 are the marrow donors needed most.
- Donating marrow isn't as scary as it sounds - and there are 2 ways to give, one that's as easy as giving blood.
